5. What effect do you think Paul had on the other 275 people who went through the same storm?
6. When has your faith in God helped you overcome fear in your life?
7. Romans 8:28 says, "And we know that in all things God works for the good of those who love him, who have been called according to his purpose." How have you seen God work through a bad thing for your good and how did this affect others?
